

# Web Application Mini Project

Problem Statement

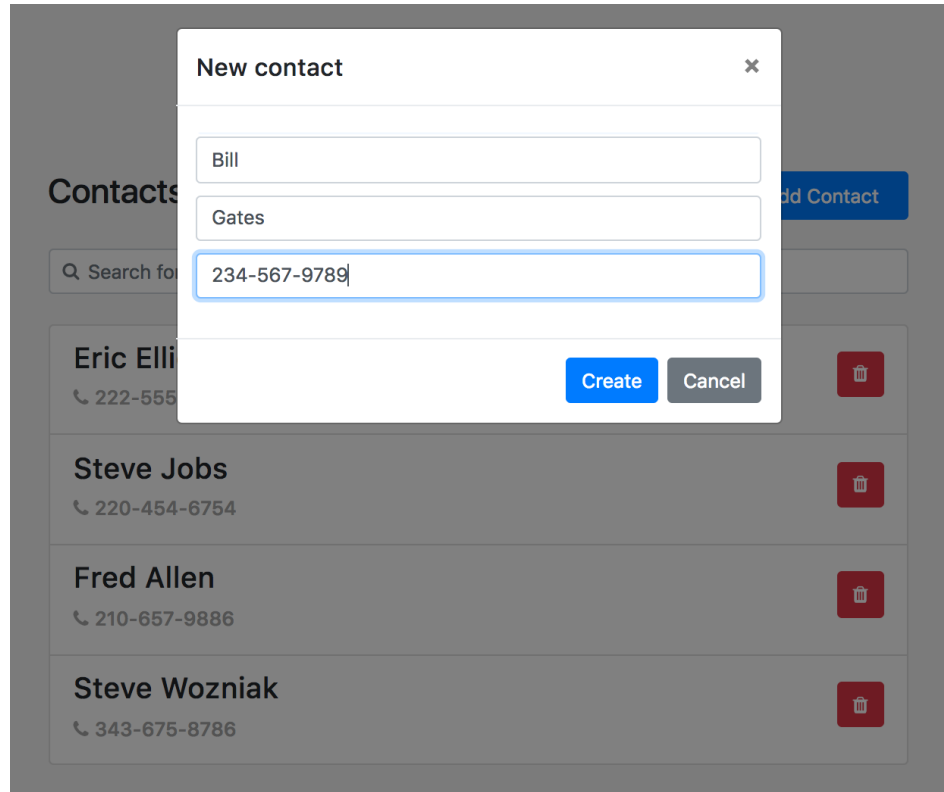

# Main Screen

# Searching for a Contact

# Adding a new Contact

The image shows a web application interface for managing contacts. A modal window titled "New contact" is open, allowing the user to add a new contact. The modal has three input fields: a first name field containing "Bill", a last name field containing "Gates", and a phone number field containing "234-567-9789". At the bottom of the modal are two buttons: "Create" (in blue) and "Cancel" (in grey). The background is a dimmed view of a contacts list with the following entries:

Name	Phone Number	Action
Eric Ell...	222-555...	Delete
Steve Jobs	220-454-6754	Delete
Fred Allen	210-657-9886	Delete
Steve Wozniak	343-675-8786	Delete

# Cont'd...
